SUGS Lloyd Wins ₹639 Crore Mega Order, Accelerating Scale and Revenue Visibility

Noida, March 22, 2026: SUGS Lloyd Limited (BSE - SME: 544501) a leading EPC company in Power T&D, solar, and smart grid solutions, has secured a **major order worth ₹639.24 crore (including GST)** from **Konkan Railway Corporation Limited**.

The project involves **Supply, Installation, Testing and Commissioning of Plant Contract along with SCADA-DMS systems**, to be executed over a period of **24 months**.

This order represents a **transformational milestone** for the Company, significantly enhancing its order book and providing strong multi-year revenue visibility. The scale of the contract reinforces SUGS Lloyd's growing capabilities in executing large and complex EPC projects, particularly in smart grid and power infrastructure domains.

The order also marks a strategic expansion in the Company's Power Transmission and Distribution business, further diversifying its project portfolio and strengthening its positioning with marquee government clients.

Commenting on the receipt of the new order, Mr. Santosh Shah, Chairman and Promoter of SUGS Lloyd Limited, said,

"This is a landmark order for SUGS Lloyd and a strong validation of our execution capabilities in large-scale EPC and smart grid projects. The size and nature of this contract significantly enhance our revenue visibility and mark an important step in our journey towards scaling the business.

This order not only strengthens our presence in the Power Transmission and Distribution business but also positions us to participate in larger opportunities going forward. We remain focused on disciplined execution, selective bidding, and maintaining financial prudence as we leverage this opportunity to drive sustainable growth."

About Sugs Lloyd Limited

The company is a leading EPC company engaged in Power T&D, solar, and smart grid solution across India. Established in 2009, the company has evolved into a
